WHAT TO DO ON THE FIRST DAY

MORNING DROP-OFF PROCEDURES at CAMP LOCATION

For morning drop-off at any of our locations,

- please follow the PK Camps directional signage and markings to the front of the school/community centre.
- At the front entrance, you will meet our Directors.
- Directors will verify camper information with you and a staff member will escort the camper into the facility

Please note: that parents/guardians are not allowed into the camp facilities

EVENING PICK-UP PROCEDURES at CAMP LOCATION

For evening pick-up at any of our locations

- Upon arriving at the facility to pick-up your child(ren) parents/guardians will text their family ID to the phone number provided in the weekly email.
- Directors will receive a notification, will then go and retrieve your child(ren) from their camp group & bring them to the pick-up spot
- Parents/Guardians will have to verbally verify with the Director their family ID and from there, their child will be released
- We ask that parents remain in the designated waiting area until your child(ren) has come out of the building and is at the sign-out table with the Director

If an alternate person is picking up your child(ren) from camp, we ask that a note be made in the screening form stating the name of the person picking up your child(ren). The alternate pick-up is required to follow the same protocol as above.

BUS DROP-OFF PROCEDURES *Applies to Kelso only **pre-registration required

Parents are required to accompany their child(ren) to the bus stop each morning and check them in with the PK staff member at the stop. If you are giving permission for your child(ren) to walk to and from the bus stop, we ask that you bring them to the bus on Monday morning and provide the PK staff member there with a walk home permission slip.

Upon arriving at the bus stop campers will be checked in, on Monday morning they will be given a camper name tag, along with the bus coloured wristband that which identifies what bus colour they would look for in the evening.

BUS PICK-UP PROCEDURES *Applies to Kelso only

Campers who have permission to walk to and from the bus stop, are to check out with the Staff PK at the bus stop before leaving stop.

Parents waiting for pick-up at the bus stop are to check out with the staff member so we can ensure your child is properly released from our evening attendance.

BUSING INFO

Busing is offered for Kelso camps only, and must be selected at time of registration. Please view our Bus Schedules for further details for all bus stops offered. Busing cannot be added once the week is in progress.

We do not allow families to only use busing one way to camp. If you have registered for busing it is expected to be the form of transportation used for the full week(s). We understand that there may be a day where an early pick-up is required this can be accommodated a Note to Camp is required for the day of the early pick-up.

If a camper does not take the bus on Monday morning to camp, they will not be able to ride the bus home Monday night. Monday mornings are very important for campers - they receive a bus tag, are informed of their bus number & are made aware of what stop they get on and off at each day, not taking the bus will have them miss out on all of this important information, the first day.

Bus Monitors are select Planet Kids staff scheduled to supervise children at the bus stop locations and on the bus to/from camp. Bus Monitors take attendance and collect medication, forms and messages. Although every effort is made, a Bus Monitor may not be available at all bus locations/all weeks.

We prefer that all campers arrive at and leave from their bus or camp location with their parent/caregiver. If however your child is at least 12 years of age and you intend for them to walk, you are required to sign and submit a Parent Consent to our staff in advance. This consent is found on our Note to Camp Form. Campers without the proper consent will not be permitted to leave their camp or bus location on their own, regardless of their age. Thank you for your co-operation.

GROUPING WITH FRIEND OR SIBLING

We know that many campers are coming to camp, wanting to attend the same program as a friend or sibling. We will try our best to ensure your child and friend are together for the week.

In order to do this we, ask that each family adds in the name of the friend/sibling, to **'Camp Friends'** under your child. You can find this by, going to your family's home page. At the top you will see the tab 'Your Children', select it, then you will see 'Actions' - under here you will see 'Edit Grades & Friends', select it and it will bring you to each child you have on your file. In the box labelled 'friends' add in the names of friends/siblings. Once the names have been added, hit submit, friends' names have now been saved.

Please note the following:

- 1) please ensure the campers are registered in the same camp program as well as for the same week. We cannot match campers, who are registered in separate camp groups and different weeks.
- 2) If the children wanting to be grouped together have completed different grades i.e. one has just completed Grade 3 and the other Grade 4, you would need to contact our office, before camp begins about bumping one of the children up or down a grade level. *we cannot always accommodate a grade level change.
- 3) We will only bump a camper up or down by one grade level & does depend on the camp program you are wanting to bump into.

*Please note that we do not bump up campers who have just completed SK.

CAMP POLICIES

Dress Code Policy

At Planet Kids, we strive to provide an environment that is safe and fun, and one that makes a positive impact on children. With this in mind, a dress code is in effect and applicable to all campers participating in any of our camp programs. Your cooperation is appreciated. If your child does not meet the Planet Kids Dress Code, you may be contacted and asked to bring an appropriate change of clothing for your child, and/or your child may be required to leave camp (no refund or credit will be issued) and/or a warning note will be sent home.

Planet Kids Dress Code: Campers are not permitted to wear, carry or have on their person, clothing or accessories (hats, towels, lunch bags, knapsacks, etc) which have on the illicit, profane, suggestive, bias, sexually related, alcohol-related or tobacco-related text, graphics or logos.

Medication Policy

If your child requires medication while at camp a Medication Release & Permission to Administer Form is to be completed. The form is to be completed at the start of each week they are attending. Medication is kept with the staff working in your child's group unless it needs to be kept cold. Medication along with the form is to be handed to the Camp Directors at morning sign-in, please have medication in a sealed Ziploc bag with your child's name on it. If your child is a returning camper, please ensure his/her medical information is updated each year. Please note: we only accept the daily dosage amount each day.

EpiPens & Asthma Inhalers

Asthma Inhalers and EpiPens are the only medications that must remain in possession of the campers, that require them. Campers that will be carrying an EpiPen or inhaler will be given a yellow ribbon, which will be attached to their backpack to identify they have medication in their bag. This ribbon will be kept on the camper's backpack for the week. The medication release and permission to administer form still must be filled out.

Lifejacket Policy

Location: Kelso - It is recommended that campers aged 7 and under wear a lifejacket while participating in swimming at the beach. It's at the discretion of parents by selecting 'Yes' or 'No' to wearing a lifejacket while swimming when registering for camp. Any changes in your child's lifejacket status must be put in writing and forwarded to a Planet Kids staff member/bus monitor.

Campers are very well supervised during swim times by both Planet Kids trained staff and certified lifeguards. Lifejackets are mandatory for all campers & staff while using canoes, kayaks or paddleboats.

Lifejackets are provided and can accommodate children up to 90 pounds. If your child is greater than 90 pounds you will be required to provide your own lifejacket.

Food Policy

For the safety of campers and staff with life threatening food allergies, foods containing any type of nuts, nut by-products, or peanut oil are not permitted at camp. Campers are not allowed to share any food with fellow campers. Please stress the importance of this with your child in advance.

To reduce litter, we strongly encourage the use of litter-free packaging such as reusable containers and stainless steel drinking bottles for your child's food and beverage storage.

Lost and Found Policy

All items left behind at camp and found by our staff are laid out daily for campers to look through. Parents are also welcome to search through the lost & found items by visiting the camp during operational hours. Due to the high number of items lost and a very busy daily schedule with the campers, it is not possible for our staff to check the Lost & Found. All unclaimed items are held for 1 week, after which, they are disposed of or donated to a charitable organization. Items of particular value that are found by our staff, such as personalized earplugs and medicines, will not be put in the Lost & Found, but rather will be held by our Site Director pending return to the rightful owner. Campers are not permitted to have items such as iPods, cell phones, camera phones, hand-held gaming devices, valuable jewelry or toys at camp. PLANET KIDS AND ITS STAFF ARE NOT RESPONSIBLE FOR ANY LOST OR STOLEN ITEMS.

Campers With Exceptionalities

Planet Kids welcomes campers with Special Needs/Exceptionalities into our programs. In order to provide the best possible camp experience for your child we ask that parents/guardians provide us with information about how to best support your child ie; campers' strengths, needs, strategies etc.

As a general rule if any of the following apply to your child it is recommended that he/she attend camp with a support worker, so they have the same level of support while at camp.

- extra support is required at school
- require additional support when dressing and toileting
- your child is associated with a support agency

If you plan to send your child to camp with a support worker, please inform us of this before your child's week(s) at camp. Unfortunately, Planet Kids is not in a position to provide campers with a support worker.

Please note: Planet Kids Staff are not able to help children with toileting
